### 2022 AGM

The 2022 OIRCA Annual General Meeting (AGM) will be held on **Thursday, January 20, 2022 at 10:00 a.m.** The meeting was originally planned to be a face-to-face get-together at the historic Old Mill. Similar to last year we have had to cancel. This time around the Omicron variant is the culprit.

As such the meeting will be “virtual” via Zoom video conferencing.

The Board of Directors has decided that there will be no business sessions delivered in conjunction with the AGM. So, in 2022 it is all business...

Association business that is.

The AGM is a very important meeting that all members should consider attending. In addition to a recap of a very busy and unique 2021, the business of the Association will be mapped out for 2022.

Reports from the President, the Executive Director and Committee Chairs will provide you with an update on what your Association has achieved in the last twelve months.

The incoming President, Mr. Mark Agius of Flynn Canada will be introduced along with the new members of the Board of Directors.

The financial business of the Association will also be addressed with a review of the 2021 Financial Statements and the 2022 Budget.

### Virtual Meeting Format

We will be utilizing the Zoom video conferencing system with Survey Monkey software for voting. Details regarding the format and link to the event will follow in the coming weeks.

So, mark your calendar. We look forward to this being the last virtual AGM for our Associatio
