
Annual General Meeting & Business Session

The Old Mill

Thursday, January 18, 2024

ONTARIO INDUSTRIAL ROOFING CONTRACTORS ASSOCIATION

2024 AGM

The 2024 OIRCA Annual General Meeting (AGM) will be held on **Thursday, January 18, 2024 at 2:00 p.m.**

The meeting location will once again be the historic Old Mill located at 21 Old Mill Road in west-end Toronto. The AGM will be held in conjunction with a morning business session (see accompanying story) and a Members' Luncheon at noon.

The AGM is a very important meeting that all members should consider attending. In addition to a recap of a very busy 2023, the business of the Association will be mapped out for 2024. Reports from the President, the Executive Director and Committee Chairs will provide you with an update on what your Association has achieved in the last twelve months.

The incoming President, Mr. Jason Campbell of Dean-Chandler Roofing Ltd., Toronto will be introduced along with the new members of the Board of Directors.

The financial business of the Association will also be addressed with a review of the 2023 Financial Statements and the 2024 Budget.

The Canadian Roofing Contractors Association (CRCA) is in the midst of a metamorphosis of sorts. Leading that transformation is the association's newly hired Executive Director Jim Facette.

Jim has worked in the not-for-profit sector since 1995 and began his association career with The Canadian Contractors Association (CCA) from 1995 to 2003.

We have asked Jim to lead our morning Business Session to update Members on the latest goings on at our national association.

CRCA Business Session

OIRCA Active Members often ask, "why do we have to be members of the CRCA when we join the OIRCA... what does the CRCA do and how does my membership with them help my business?"

Well Jim is going to delve into that very subject. CRCA is currently involved in a strategic planning process that will map out the association's objectives moving forward.

Jim will also be bringing with him CRCA's Technical Team, Troy Ferreira, CRCA's Technical Director and Wendy Fraser, CRCA's Technical Manager.

CRCA's technical responsibility has always been the driving force behind the organization. Troy and Wendy will provide us with an update on activities with the CRCA National Technical Committee as well as their involvement in numerous roofing industry research projects.

Calendar:

All OIRCA Members Are Welcome

10:00 The CRCA

12:00 Cash Bar

12:30 Members' Luncheon

2:00 Annual General Meeting
